The Gordon Cup weekend combines golf, fellowship, sportsmanship and honouring past accomplishments and players. These honours are announced at the dinner on the Sunday evening. This year, Mississippi honoured the following players, who have played in at least 10 events, on their 40th anniversary of playing in the Gordon Cup.

Gord Robinson, Glen Buder, Robb Burton, and Web Miller – Arnprior

Dave Elliot, Sandy France and Ian Lamb – Mississippi

Following the dinner, Glen Buder spoke about the history of the Gordon Cup and announced some milestones achieved by some Gordon Cup players attending this year. He then invites Phil Hermite, the captain of the winning team from Pembroke, to introduce each of his players who were presented with crested beer mugs.

An event like the Gordon Cup needs a tremendous amount of support and volunteers. On behalf of the Mississippi Golf Club and Ken Maheral, Mississippi Gordon Cup Chairman, thanks very much to the following:

This has been our 100th Anniversary year. Thanks to the members of the Mississippi Golf Club for their understanding in releasing their golf course for two days to host the Gordon Cup. Hosting the Gordon Cup ends a very busy year that had Mississippi hosting 3 major competitions – the Ladies O'Brien Cup, the Gordon Cup and the Men's St. Lawrence Trophy. The cooperation and understanding by the members has been very much appreciated.
