

Quattrocchi 2016 Results

Mississippi Golf Club hosted the 2016 Quattrocchi Cup event on Sunday August 28th. The weather forecast was not sounding promising but the rain held off, resulting in a very humid day.

A format change was instituted for this year's event. Instead of playing single and two-person team matches, a modified stableford scoring system was put in place. In effect, the players were playing against the golf course, earning 4 points for birdies, 2 points for a par, 1 point for a bogie, 0 points for a double bogie and a loss of one point for a triple bogie or higher. The player's handicap was then added to the points earned by the player, resulting in their total points.

Final Results:

Mississippi	+ 26 points
Sand Point	+ 16 points
Pembroke	+ 13 points
Deep River	- 17 points
Renfrew	- 22 points
Island Brae	- 45 points

Mississippi wins the 2016 Quattrocchi Cup.

The top point getters for each team were also honoured for their results. The winners are:

Steve Adams, Island Brae	+ 9 points
Jamey Larone, Renfrew	+ 4 points
Jim Hogue & Martin Chisholm, Deep River	+ 1 point
Ron Cleveland, Pembroke	+ 7 points
Sean Moore, Sand Point	+ 9 points
Fred Hunter, Mississippi	+ 9 points

There was also a \$5 skins game. Two skins were won, each worth \$165.

Bob Hawkins, Mississippi – birdie on hole # 10

Chris Knight, Deep River – birdie on hole # 16

The pace of play was excellent as each group was sent off as a threesome. In fact, the pace was so good that the first group finished in 3 hrs, 40 minutes. Because of this quick pace, they and the other early groups had a rather lengthy wait for the meal. The meal was delicious. Our course received countless amount of praise from the competitors for the pristine shape it was in.

The 2016 Quattrocchi Cup event is now in the history books. Thanks to all the golfers for a great day of friendly competition at Mississippi.
