

We had a total of 62 signed up - 59 to play golf and 3 for brunch only. The most attended opening in a number of year. The brunch was well received by all the ladies and the Spring Meeting was conducted during the brunch and all wrapped up in plenty of time for the golf. It was an overcast day with some scattered showers but we were lucky enough to have 39 of our 59 ladies brave the wind and rain to play and we ended up with 11 teams. We played 9 holes and prizes were awarded for the front nine and the back nine. First place for the front nine were Lila James, Sue Kolar and Sandy Iwaniw. First place for the back nine were Gay Wilson, Sandy Geren, Simone Foley and Joanne Kolar. Prizes were awarded to all the participating teams. We had 4 closest to the hole prizes - two donated by Barb Campbell and two bought with the entry fee money. Winners were #4 - Lila James, #7 - Sandy Iwaniw, #11 - Marsha Woodgate and #14 - Rita Mathews.

It was noted that many of the ladies were impressed with the idea of a brunch instead of a supper and suggestions were made to do the same for the ladies closing. The brunch was very tasty and there was lots of food for all.
