**Jamie Munro & Blake Virgin – birdie holes # 6, 13, 15 and 18**

**The 2017 Men's 4 Ball Better Ball was played on a sunny July afternoon.**

**As a surprise to most participants, the cart restriction on the golf course was lifted the morning of the tournament. This then enabled regular cart users to jump into a cart and play the tournament. Thanks to Bill Hudson and his greens crew who worked very hard early Saturday morning roping off many wet areas and installing direction markers that would steer carts away from wet areas. This effort allowed at least 40% of the participants able to play in the tournament.**

**Congratulations to Nick Hillier & Doug Specht for winning the event this year. The runner-up team of Blake Virgin & Jamie Munro fired an incredible round of 64, which included 9 birdies.**

**Players who have established handicaps from the gold tees were allowed to play from those tees. Most were appreciative of this decision.**

**Thanks to Paul Virgin for his assistance with the scorekeeping.**
