**Putting it mildly, the weather was awful. For the greater part of Saturday play, it never stopped raining but all the competitors who teed off finished the round. Sunday's weather was not that much better, however the sun did make an appearance mid way during the afternoon play. The course was in beautiful shape, although a little wet, and the greens were still running true and somewhat fast, considering the damp conditions.**

**Steady play by Carson Scissons, firing rounds of 71 and 73, made him the A Class club champion.**

**Jim Coughlin, shooting rounds of 79 and 78 on the weekend, won the B Class Championship**

**Chris Jones also played steady, shooting rounds of 91 and 86, to win his first C Class Championship**

**Carson, Jim and Chris will join Ken Zubricki and will represent Mississippi at the OVGA Tournament of Champions being held on Monday September 29 at the Greyhawk Golf Club.**

**Great competition and perseverance was evident with the scores posted.**

**Special thanks to Cam McKinnon, Dan Hourigan, Ron Mathews, Ken Maheral and others for assisting with the scorekeeping duties during the weekend – their efforts were truly appreciated.**

**My thanks to anyone else who helped out – your offers to assist are always greatly appreciated.**
