In contrast to last year's terrible weather conditions, this year's club championships were played under ideal weather which provided excellent scoring conditions.

In the first of what may be many championships, steady play by James Parsons, firing rounds of 73 and 74, made him the A Class club champion.

Chuck Maguire, after knocking on the door so many times before, beat Mike Coucke on the 3rd playoff hole to win the B Class Championship. Chuck fired rounds of 80 and 83 respectively.

Ray Thomas, proving the age is not a factor, bested the field to win the C Class Championships, shooting rounds of 84 and 92 to prevail.

James, Chuck and Ray will join Bill Mason and will represent Mississippi at the OVGA Tournament of Champions being held on Monday September 28 at the Greyhawk Golf Club.

Great competition and perseverance was evident with the scores posted.

Special thanks to the many who assisted with the scorekeeping duties during the weekend – your efforts were truly appreciated.

I would also like to thank the many lady members who stayed around following their club championship presentations and were on hand to congratulate the winners of the Men's Club Championships. Too often, players leave following their rounds and thus seem to not want to stay around and congratulate the winners. But this year was different and it was great to hear the cheers and applause for the champions. Also, thanks to those who went out and watched the playoff for the B Class Championship.
