**The 2014 golf season kicked off with 83 participants playing in the Men's Opening.**

**Considering the weather forecast called for 70% of rain throughout the day, it was actually not a bad golf day. Sure there was that quick shower that passed through the area but it may have lasted for about 30 minutes, if that.**

**Thanks to Wendy and the entire kitchen staff for the ham and scalloped potatoes dinner; Dan Kolar and the Pro Shop staff for the registration; and the beverage cart and bar staff for their efforts today.**

**Those participants who did not finish their round and had signed up for the match play will not qualify to play in the year-long match play competition. Those who did not finish were recorded as DNF (did not finish).**

**The net scores from today's event will determine the seeding for the matches that will be played.**
