The Men's Opening kicked off the 2016 golf season. A total of 87 participants played in the event.

It was a spectacular day for the first tournament of the year. Temperatures were supposed to 21 degrees with a calm breeze. Did not happen just like that, but it was still a very nice day.

Thanks to Wendy McDonald and the entire kitchen staff for the meal and the apple crumble for desert. An assortment of cheese and crackers were available for the golfers to enjoy prior to their meal.

Thanks to Dan Kolar and the Pro Shop staff for the registration; and the beverage cart and bar staff for their efforts today. Everyone enjoyed the fresh

**new look of the clubhouse and the comfortable seating. It will only get better when the new lounge is fully operational.**

**Thanks to Paul Virgin and Bob Ridpath for their assistance with the scorekeeping duties – this help is always appreciated.**

**We honored the members who had passed away over the winter – Michael Mulcahy, Ron Armour, Brian Strutt, Cleve Thorpe, Dick Steele and Bob Faulkner. We also asked for continued good thoughts for Craig Lynch as he battles against leukemia.**

**It was suggested that “we pass the hat” to collect donations for the victims of the Fort McMurray forest fire victims. A total of \$385 was collected, and when matched by the Government of Canada, \$770 will be donated to the Red Cross for their efforts.**

**The Captain introduced the new members that played today and also noted 7 more new members have joined since Wednesday. The new members that played in the Men’s Opening were: Ken Reddick, Grant McConnell, Grant Reader, Terry Bootsma, Chris McPhail, Kevin Hayes, Cameron Hayes and Tom Browne.**

**The 2016 playing schedule was briefly discussed, specifically the events being hosted by Mississippi and introduced some of the event coordinators. Unfortunately, the new format of the Member Guest and the people who are taking this on (Gary Hobin and Mike Clarkson) were not introduced. My apologies for this oversight. The Member Guest posters are now on posted and registration for this June 9<sup>th</sup> event is now open.**
