This year marks the Centennial Year for the Mississippi Golf Club.

The Men's Opening kicked off the 2015 golf season. A total of 105 participants played in the event.

It was a spectacular day for the first tournament of the year. Clear blue skies with temperatures hovering in the mid 20's for the day – a welcome change from the weather for the previous two Men's Opening event.

Dinner plans were changed this year. There was a choice of 3 meal entrees for the players to choose from and they could order the dinner following the completion of their round. This removed the requirement for the earlier golfers to wait around for the entire field to finish before eating the meal.

Thanks to Wendy McDonald and the entire kitchen staff for the lasagna, chicken panini and rubeen wrap meal selections for dinner.

Thanks to Dan Kolar and the Pro Shop staff for the registration; and the beverage cart and bar staff for their efforts today.

Thanks to Ron Mathews and Gord Kelly for their assistance with the scorekeeping duties – this help is always appreciated.

The net scores from today's event will determine the seeding for the matches that will be played.
