Finally, we would like to thank all the members of the Mississippi Men's Night for their patience, understanding, and good sportsmanship.

The past two seasons have been, to say the least, trying and challenging. Not being able to open the clubhouse to all the members after games on Thursday, not being able to complete our scoring on those nights and handing out prizes immediately, and not being able to sit around afterward and verbally abuse each other throughout the evening certainly changed the dynamic of the event.

Hopefully we will be able to get back to a semblance of normal next season once the restrictions are lifted.

Again, thanks to all for a great season.
